

EXECUTIVE APPEALS WRITING ASSESSMENT (EAWA) TEST GUIDE

WHY DO AT&T AND ITS AFFILIATES TEST?

At AT&T, we pride ourselves on matching the best jobs with the best people. To do this, we need to better understand your skills and abilities to make sure that you are indeed the right match for the job. Our ultimate goal is to set you up for success in your career at AT&T (that is, if AT&T is the right match for you). Research has shown that tests provide accurate measures of people's skills and abilities and, therefore, we use tests to identify people who are the best match for the job. Our philosophy is simple...if you succeed in your role, then we succeed as a company.

WHAT IS THE EXECUTIVE APPEALS WRITING ASSESSMENT (EAWA)?

The EAWA is a work-sample task designed to assess key competencies that are required for successful performance as a Service Representative in the Executive Appeals office. You will be provided with a sample letter from a customer to whom you must identify the problem/issue, indicate resources they would use to solve the problem, and write a response to the customer using a word processing program on the computer.

You will be evaluated on both your identification of the issue as well as your written communication skills (e.g., content, grammar, spelling, etc.). You will not be evaluated on specific job related or technical knowledge.

The EAWA process takes approximately 30 minutes.

WHAT CAN I DO TO PREPARE FOR THE ASSESSMENT?

At AT&T, our goal in testing is not to cause you to fail; rather, our intent is to set our employees up for success. Remember, we succeed when you succeed. The best way for you to succeed on a given test is to adequately prepare. Candidates may wish to review materials related to successful business writing to help them prepare for the assessment.

Here are some additional tips to help you prepare:

- ✓ Gather resources (books, articles, other materials, etc.) that cover the areas measured in this test
- ✓ Study the information carefully
- ✓ Have someone quiz you on the material prior to your testing date
- ✓ Seek out others who have knowledge in this area and may be able to assist you
- ✓ Get a good night's rest the night before your testing session
- ✓ Eat a well-balanced meal an hour before testing

It is important that you have an understanding of the material presented in the course or obtained through independent study.

HOW WILL THIS ASSESSMENT BE ADMINISTERED?

A member of our Staffing team will provide you with the time and location for your testing session. Try to arrive at the location at least 15 minutes before your scheduled assessment time to give yourself time to relax before the test begins. You may want to bring a jacket or a sweater in case the temperature in the testing location is not to your liking. Feel free to ask questions before the test begins, and be sure you understand the format of the EAWA.

RETEST INTERVALS

If you do not qualify on the EAWA, do not be discouraged. Perhaps, this would indicate that this position is really not the best match for you. Who knows – perhaps a better, more closely matched opportunity awaits you. If you feel strongly that this is the right position for you, then you may initially retest after six months. Subsequent retests are at one-year intervals. However, please note that test standards are periodically updated to reflect current abilities and skills required for our jobs. Therefore, it may be necessary to meet new test standards should they be introduced prior to your placement on the job.

SUMMARY

When you succeed in your job, AT&T succeeds as a company! Successful completion of the EAWA qualifies you for possible placement into jobs requiring this test. Additional testing may be required for certain positions. See job briefs in your area for additional testing requirements for titles you are interested in.
