

CUSTOMER ACCOUNT RESOLUTION TEAM TEST (CARTT) TEST GUIDE

WHY DO AT&T AND ITS AFFILIATES TEST?

At AT&T, we pride ourselves on matching the best jobs with the best people. To do this, we need to better understand your skills and abilities to make sure that you are indeed the right match for the job. Our ultimate goal is to set you up for success in your career at AT&T (that is, if AT&T is the right match for you). Research has shown that tests provide accurate measures of people's skills and abilities and, therefore, we use tests to identify people who are the best match for the job. Our philosophy is simple...if you succeed in your role, then we succeed as a company.

WHAT IS THE CUSTOMER ACCOUNT RESOLUTION TEAM TEST (CARTT)?

The Customer Account Resolution Team Test (CARTT) is a predictor of a variety of job behaviors, such as dependability, customer service, problem solving, and writing ability. The test consists of three sections.

The test sections are:

- ❖ Opinions and Attitudes
- ❖ Problem Solving
- ❖ Writing Ability

The CARTT test consists of multiple-choice questions that ask you to indicate your level of agreement with statements, and to select the best option in certain job-related scenarios. The entire test takes approximately 35 minutes to complete.

WHAT CAN I EXPECT TO SEE ON THE TEST?

The test will contain questions that are designed to measure your service orientation, writing ability, and problem solving ability. In addition, there will be questions pertaining to your opinions, preferences, and attitudes.

The following list of questions provides an example of items that you might see on the test. They're not actual test questions, but should serve to give you a general idea of the types and format of questions.

1. I am comfortable dealing with upset customers.
 - a) Agree
 - b) Disagree

2. I don't let obstacles stand in my way.

WHAT CAN I DO TO PREPARE FOR THE TEST?

At AT&T, our goal in testing is not to cause you to fail; rather, our intent is to set our employees up for success. Remember, we succeed when you succeed. There are no specific materials you should study in order to prepare yourself. However, if you pay close attention to the instructions, you will increase your chances of performing well and demonstrating your suitability for the job.

HOW WILL THIS TEST BE ADMINISTERED?

This test will be administered online and can be completed anywhere you have high speed internet access. We strongly recommend that you pick a location that is quiet and free from distractions so that you can concentrate on the test. You will be invited to take the test via email. If you have further questions about the test administration, please contact:

attjobssupport@att.com.

WHAT CAN I DO TO PERFORM MY BEST ON THE TEST?

Experience on the job is not essential to perform successfully on this test. When taking the test you should:

- ✓ Read each question carefully.
- ✓ Think about your background and experiences.
- ✓ Answer questions quickly and to the best of your ability.

It is important that you answer the test questions honestly. Providing candid answers will ensure the best fit with the job.

RETEST INTERVALS

If you do not qualify on the CARTT, do not be discouraged. Perhaps, this would indicate that this position is really not the best match for you. Who knows – perhaps a better, more closely matched opportunity awaits you. If you feel strongly that this is the right position for you, then you may retest in six months. However, please note that test standards are periodically updated to reflect current abilities and skills required for our jobs. Therefore, it may be necessary to meet new test standards should they be introduced prior to your placement on the job.
